

February 10, 2025

Dear Suraj Varne,

Please accept my congratulations for achieving a 3.5 or above grade point average for the Spring 2024 semester. In recognition of your outstanding academic achievement, your name has been placed on the Dean's List of scholars at the University of North Texas.

As a Dean's List scholar, you join a very select group. Only 23% of the College of Engineering undergraduate students earn this honor. This distinction of high scholarship should be reflected on your resume throughout your career.

Your accomplishment is one in which you should take great pride. The faculty and administration of the University of North Texas are very gratified by your hard work and dedication. We are all proud of your outstanding performance.

If you wish to make your local newspaper or some other publication aware of this honor, please make a copy of this letter and send it along with any personal details you feel will be of interest to the publication you selected. This letter will serve as verification of your honor.

Again, may we extend our congratulations on your excellent scholastic achievement for the past semester. I hope you will strive to maintain your fine academic record, and we wish you continued success at North Texas and beyond.

Sincerely,
